---

We categorically deny Bloomberg's report on 4<sup>th</sup> August 2025 suggesting a tie-up between the Adani Group and Chinese companies BYD and Beijing Welion New Energy Technology. This report is baseless, inaccurate and misleading.

The Adani Group is not exploring any form of collaboration with BYD for battery manufacturing in India. Similarly, we are not engaged in any discussions with Beijing Welion New Energy Technology for a partnership of any kind.

We request you to please take this on record.

Thanking you,

Yours faithfully,  
For **Adani Enterprises Limited**
