**Notes to Profit Reconciliation :**

a) MTM on derivative financial instruments :

Derivative financial instruments have been fair valued through profit and loss under Ind AS. Under Previous GAAP, the net mark to market losses on derivative financial instruments, other than those designated as cash flow hedges, were recognised in statement of profit and loss, and the net gains, if any, were ignored.

b) Impact on accounting of financial instruments at amortised cost :

The Company has valued financial assets (other than investment in joint ventures, subsidiaries and associates which are accounted at cost) and financial liabilities, at fair value at the inception of the contract. Impact of fair value changes as on date of transition, is recognised in opening reserves. These financial instruments have been subsequently accounted under the amortised cost model, with resultant changes thereafter being recognised in statement of profit and loss.

c) Actuarial Valuation :

Actuarial gains / losses on account of changes in actuarial assumptions are recognised in other comprehensive income.

d) Service concession accounting :

As per Ind AS, Property, Plant & Equipment (PPE) related to service concession arrangements for providing agri- storage facilities has been derecognised and classified as financial asset and intangible asset.

e) Other Ind AS impact includes :

- > Asset retirement obligation and its amortisation
- > Reversal of amortised goodwill
- > Amortisation of government grants as deferred income

f) Deferred tax :

The impact of transition adjustments together with Ind AS mandate of using balance sheet approach (against profit and loss approach in the previous GAAP) for computation of deferred taxes has resulted in charge to reserves on the date of transition, with consequential impact in the statement of profit and loss for the subsequent periods.

- 6 The exceptional items in the consolidated financial results includes :

- a) Exceptional gain of ₹ 231.58 crores recognised by subsidiary Adani Mining Pty Ltd has been deferred over the contractual period and accordingly the same is reversed in the current quarter.
- b) Loss of ₹ 60.97 crores for the quarter and a year being cost written off on account of abandoned project in Adani Gas Limited, a wholly owned subsidiary of the Company.
- c) Gain of ₹ 87.92 crores for the quarter and a year towards gain on divestment of 26% equity holding in two associate entities Adani Murgao Port Terminal Pvt Ltd and Adani Kandla Bulk Terminal Pvt Ltd.

- 7 Tax expenses include :
